

Issue Date: 03-03-2025

Product End-Of-Life(EOL) / End-Of-Support(EOS) Notification

To: All Customers

Attention:

AvL Technologies appreciates and values your business. We are issuing this notice to inform you of the immediate discontinuation of the acquisition and supply of all TracStar/Cobham controller-related components effective 03.03.2025. This decision is based on both unexpected legacy part obsolescence from suppliers and AvL's ongoing efforts to streamline operations and focus on our core product offering. We will continue to offer limited remote troubleshooting support to assist with any immediate concerns, this period will span a six-month term.

EOS is scheduled for 09.03.2025 implementation.

EOL/EOS Product Name: TracStar/Cobham antenna control unit(ACU) and supporting components

AvL PN: See parts page

Last Buy Date : N/A

Key Details:

- EOL / Parts discontinuation date: 03.03.2025
- Limited Support Period: 03.03.2025 – 09.03.2025
- EOS date: 09.03.2025
- TracStar related antenna issues will be disqualified from depot level returns and evaluations starting 03.03.2025

We understand the impact this may have on your operations and are committed to assisting with the transition. AvL Technologies will offer alternative controller programs where possible, converting legacy terminals to current and supportable ACU's like the AvL AAQ and ITC. If you require assistance identifying alternative solutions, please feel free to contact AVL Support cs@avltech.com.

Thank you for your understanding and continued partnership with AvL Technologies, we sincerely appreciate your understanding and assistance in helping us help you minimize the impact of this product discontinuation on your company and customers.

Sincerely,
AvL Technologies, Inc.
